Horses can be romantic too...

Today's Featured Horse: **Roman**

Name: Roman
Age: 9
Height: 15.2hh
Lives in: Hope, Maine
Looking for : Forever Home

Who am I? I am a steady and regal horse. I'm not pushy and I would prefer to walk next to someone and not in front of them. I have no problem following.

What am I looking for? Someone dependable and safe, like me.

What do I enjoy? I enjoy nice leisurely walks, either inside or out. I have been hurt before, and although my scars show, it does not limit my ability to move forward. I might have to take things slow at first, but once I know what you want, I will be willing to go that extra mile to make you happy.

What does your ideal Saturday morning look like? I prefer a nice slow start to the day. After a little me time, maybe a nice trail ride alone or with a group of friends. Wherever you are going, I am happy to be with you.

What would you do if you won the lottery? It might be nice to have a spa day every week. Full groom and bath, massage, followed by a long relaxing stroll and a bran mash lunch. You can never be too pampered.

If you are interested in meeting Roman, please fill out an online application on our website.
